

DISCOVER THE FUTURE OF MUSIC IN DOLBY.

Dolby Atmos Music gives artists a platform that expands their creative possibilities and allows listeners to connect more deeply with their favorite artists and songs.

SUPPORTING PARTNERS

"When I first heard it, I was STUNNED!...It's like hearing my music for the first time."

Alicia Keys, 15-time GRAMMY® Award-winning artist

FALL IN LOVE WITH MUSIC ALL OVER AGAIN.

WHAT IS DOLBY ATMOS MUSIC?

Dolby Atmos goes beyond the restrictions of mono and stereo, placing you in the center of an immersive soundscape that allows you to feel music in a whole new way. It gives artists the power to unleash every detail as it was meant to be heard with unparalleled clarity, so music lovers can discover hidden subtleties with true fidelity.
